### **Gabe Williams**

Duke Football Character Coach and Chaplain

Sanderson HS (Raleigh) graduate with a brief basketball career. "My lifestyle led me to jail where I would come to know Jesus Christ as my Lord and Savior. God's grace gave me a second chance to further my basketball career at Wake Tech. While at Wake Tech, I was introduced to the Fellowship of Christian Athletes. God has revealed a deep passion in my heart to see the Triangle transformed by the Gospel of Jesus Christ through sports. As the Character Coach and Chaplain for Duke University's football team, I am committed to engaging relationally with our coaches, athletes, and their families to foster gospel-centered relationships and offer spiritual support."
