**Point in Time Count**

Lee County will be participating in a Point in Time count on Wednesday January 29. A "point in time count" (PIT count) refers to a snapshot survey conducted on a single night to estimate the number of people experiencing homelessness in a specific area. JHBC will be collecting gloves, scarves and small rolled-up blankets to assist in providing winter supplies to those who are homeless. If you are interested in helping with the actual count, there is training January 15. If you have questions, see Mary Hawley Oates or call 919-708-8369.

**Verse for the Week of January 12th, 2025**

**I have told you these things so that in me you may have peace. You will have suffering in this world. Be courageous! I have conquered the world."**  
 ~John 16:33 (CSB)
